NOTE - 1) Don't see the light you need? Ask us about further options! 2) Adders may be limited or unavailable for certain luminaires.

To participate in the Pepco Business Instant Discounts Program, equipment must be installed in a facility with a commercial or industrial Pepco electric account number located in the state of Maryland. Participants receiving discounts may include business customers of Pepco and/or Service Providers. Participants are not eligible to receive additional utility program incentives through the Business Instant Discounts Program or another EmPOWER Maryland program for the same equipment. A sales order verification or site inspection may occur to verify purchase and/or installation of equipment. Failure to comply with program terms and conditions can result in incentive forfeiture and jeopardize future eligibility in Pepco Business Instant Discounts Program

EmPOWER Maryland Programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to homeenergysavings.pepco.com/business
